

A close-up photograph of a single, oval-shaped Easter egg. The egg is covered in fine, multi-colored glitter, giving it a shimmering, textured appearance. It is nestled in a bed of vibrant green grass, with some blades in the foreground and background slightly out of focus. The lighting is bright, creating highlights on the egg's surface.

Ostermontag

den 10.04 um 11Uhr

Familiengottesdienst

im Martin-Luther-Haus

Mit anschließender

Ostereiersuche,

Kaffee und Kuchen!
